

Certificate

Galv-GSIDu2021/732/0024

The independent third party
GSI mbH, branch SLV Duisburg
has evaluated the prerequisites for the production process relating to hot dip galvanising on the basis of
the relevant technical standard(s) defined in the following.

Manufacturer	KHK Scaffolding & Formwork L.L.C. P.O. Box 2701, New Industrial Area Ajman (UAE)
Manufacturing plant(s)	KHK Scaffolding & Formwork L.L.C. P.O. Box 2701, New Industrial Area Ajman (UAE)
Product(s)	Galvanised coatings on fabricated iron and steel articles
Standards:	EN ISO 1461: 2009 Hot dip galvanized coatings on fabricated iron and steel articles – Specifications and test methods EN 14713-2: 2009 Zinc coatings – Guidelines and recommendations for the protection against corrosion of iron and steel in structures
Process(es):	Hot dip galvanizing
Preliminary products (Material group(s) pursuant to ISO 15608)	Prefabricated parts for scaffolding
Product dimensions	Maximum up to 4000 x 2000 x 15000 mm
Confirmation	Based on the provisions of the mentioned standards the following requirement(s) have been fulfilled: Requirements for personnel and production technology pursuant to EN ISO 1461: 2009, EN 14713-2: 2009 Functioning system of an internal production control system pursuant to ISO 9001: 2015
Begin of validity (First issue date)	2018-02-18
Next surveillance date	2024-02-19
Validity period	This certificate will remain valid until the next the surveillance, provides that the provisions of the aforementioned standards themselves and / or the manufacturing conditions in the plant are not modified significantly, unless suspended or withdrawn by the independent third party.
Remarks	A CE-mark for components or assembly groups cannot be given according to EN ISO 1461. This certificate does not cover the requirements acc. DAST 022
Place and issue date	Duisburg, 2021-05-25 Klotzki/CG
