

## Arjan Taurani 1936 - 2021

“

*We loved him a lot but  
god loved him more!*

- KHK Family

17th September 2022, marked the first anniversary of our founder's passing. It's indeed a moment for us to celebrate his life achievements and reflect upon the extraordinary footmark he left behind.

Our beloved founder and former chairman – Late Arjan Taurani in his lifetime left an indelible legacy in all forms. Through his innovations, perseverance and leadership, he impacted many lives. He was mostly remembered for his visionary outlook, genius character, and what's mostly considered as impregnable leadership, which chalked him, remarkable success in every walk of his life.

JOE FARINA, Regional Director, Arabian Gulf, sums up nicely that Mr. Arjan was a wonderful man and a role model, missed badly but will never be forgotten. He will undoubtedly be the guiding light for the generations to come.

On this auspicious occasion, the KHK management, while believing that nothing can be done to pay a well-deserved tribute to such a legend, have organized a free "Blood Donation Camp" and "Meal For All" on 17th September 2022 in loving memory of Late Arjan Taurani.

We pray that his soul rests in eternal peace and he continuous to be an unrivalled source of inspiration for our generations to come.

# KHK BLOOD DONATION – A priceless initiative

Blood is the most precious gift that anyone can give to another person – the gift of life. It is truly an altruistic gift that an individual can give to others in need. A decision to donate blood can save a life, or many if your blood is separated into its components – red cells, platelets and plasma – which can be used individually for patients with specific conditions.

There is a constant need for a regular supply of blood because it can be stored only for a limited period of time before use. Regular blood donation by a sufficient number of healthy people is needed to ensure that blood will always be available whenever and wherever it is needed. Women with prenatal or postnatal complications, children with severe anemia, accidental victims, surgical treatments, or any people with malignant diseases need blood constantly.

In loving memory of our Founder and former Chairman, Late Arjan Taurani, the management of KHK organised a day long blood donation camp on 17th September 2022 in association with the Emirates Health Services (EHS). Everybody across the board generously donated their blood to help the noble cause
