It is with profound sorrow that I bid farewell to a leader who devoted over 38 years of his life to this organization - walking with it from its nascent years to its emergence as a global enterprise in the scaffolding and formwork industry.

Late Mirza Nadeem Baig personified optimism, foresight and decisive leadership. His profound sense of ownership, unwavering responsibility, discipline and self-driven commitment played a pivotal role in guiding the organization toward sustained global growth.

When I entrusted him with the reins of the company, I did so with complete confidence in his ability and he surpassed every expectation. He did not merely follow the benchmarks set by the management; he created new ones.

He led our 1,000+ employees with genuine care, always mindful of their physical and mental well-being, fostering a culture of respect, compassion and unity. He was deeply admired by all, and in turn, he cared for each one of them wholeheartedly.

To me, he was more than a colleague - he was an extension of myself, a bond reflected in every decision and action he took. Though he is no longer with us, his values, vision and memories will remain eternally ingrained in this organization. His legacy will continue to serve as the benchmark for those who follow, guiding the company's journey of growth and prosperity in the years to come.

Late Mr. Mirza Nadeem Baig was a rare blend of wisdom, skill and an unequalled acumen, enabling him to lead with distinction across every arena he touched.

Having known him since my early years, I witnessed first-hand the immense respect, affection and confidence placed in him by our entire management, who deeply valued his sincerity, dedication and unwavering honesty.

While Mr. Nadeem was primarily commended with the KHK Scaffolding and Formwork business, his influence extended far beyond. Through insightful counsel and forward-thinking contributions, he consistently added value to the success of other group companies, enriching every executive leadership forum with his perspective.

Possessing a broad mindset and a deep sense of belonging to the Group as a whole, he earned admiration and respect across all levels of the organization. His absence will be deeply felt, but his legacy will continue to inspire us. I pray that his noble soul rests in eternal peace.
